

Welcome to Dreamland Station

Event Guide

San Diego
Regional Decompression
2009

WHAT, WHERE, WHEN

ART

Sheeptime

Sheeptime is a sleeping aid for those having trouble entering Dreamland. Sights and sound will help achieve the desired effect. *by Aline Roden*

Dreamcatcher

The dreamcatcher is a filter used to guide one's dreams. All are encouraged to come participate by helping us adorn to this project throughout the weekend. *by Spike & Bean*

A Shiny New Catheter

This interactive wishing well will allow participants to dream up the impossible while granting someone else's. What would you wish for? *by Jackie "Applejack" Egger and Krystin "Nikki" Railing*

Flaming Saguaro

A Southwestern desert feature, the saguaro cactus, redone in rusty steel...but with the added interest and warmth of fire. *by Scott Mummert*

The Plasma Garden

We enjoy producing visually stunning interactive light sculptures, to convey an appreciation of the mind blowing fourth state of matter, also known as plasma. *by Chris Dawson and Jacob Holler*

The Monkey Mirror

The Monkey Mirror changes in response to the emotions expressed by the viewer, drawing attention to how emotion changes our perception of art by changing what the viewer sees. *by Marisa Brandt and the Monkey Mirror Team*

The Liquid O's 'Attitude Adjustment'

For years, the San Diego Community has known of the Liquid O as a happy, rolling box, decorated as a present or other lively vessel. In fact, it's a seriously cranky, pissed off old vehicle. *by Dennis Papenfus*

This Is A Tiny Town

This town symbolizes how we as a community can still be kept fenced off and isolated, all the while being surrounded by our every day lives. *by Jeremy Cooper and Jason Egger*

Art Creation Station

The art creation station returns this year to help manifest your creative energies. Let the music and energy of decom fuel your expressiveness and make something beautiful! *by Betsy and Kūwi*

Light-Chime

The Light-Chime is an Electro-Optical Art structure which signifies the technical development of Light-Generation as the forerunner of the Enlightened-Age of Human evolution. *by Tron*

SCHEDULED EVENTS

FRIDAY:

Cheesy Porn Camp

Showing cheesy porn and serving cheesy snacks!

The Temple

The Temple will be in the pyramid. All weekend people will write down things they want to let go of and things they want to welcome into their life as well as honor those who have gone and request the best outcome for those who are ill or suffering. We will burn these requests with a brief ceremony on Sunday morning. **All Weekend**

SATURDAY:

Sunrise Golf Open Invitational

18 holes of golf through all of the art and camps at Decom. **(6:45am, Greeters Station)**

Meditation at the Temple

All are welcome, I will give a brief Zen meditation instruction if you want or we can just sit together. Also if anyone wants instruction or to do meditation just ask and I will sit with you. **(11am, the Temple)**

Yoga for Drunks Followed by Shapeshifters Workshop

Kundalini has agreed to sober up long enough to teach some yoga – just squishy rolling around stuff and some wacky chanting. Afterwards, an introduction to shamanic practices will be offered. Hint: you get a free costume. **(Noon, the Temple)**

Ecstatic Chanting

An hour-long meditation class based on Kirtan and devotional chanting in Hindi and English. Musicians and drummers are welcome. It'll be helpful if people bring yoga mats or other pads to sit on. **(at the Temple)**

All Orange

Kirk & Noor, our lovely hosts, will be performing their show in the special stage room located just off the Dreamland Stage. **(1pm, next to Dreamland Stage)**

HazCat

We are renewing our wedding vows for 10+ years of marriage. Also, we want to mark our Burner-versary since Decom 06 was our very first burner event. We want to gather at the Pyramid, say a few words, then proceed back to our Irie I.E. shade structure for music, champagne, and hors d'oeuvres. **(2pm, near the Pyramid)**

Labia Origami Workshop

And you thought the paper crane was tough. **(2pm, MiscrEANT Manor)**

Choose Happiness Workshop

Come learn and practice ways to increase your happiness tested methods that come from studies of happy people, spiritual traditions and positive psychology. Participation is required!!! Come join us in learning how to live a more happy and joyful life. **(2pm, Acoustic Stage)**

Poi workshop

Sizzle will be hosting a poi workshop immediately following the Happiness Workshop. All skill levels are welcome in traditional spin jam fashion. Experienced spinners can also benefit from a review of the basics. Bring your poi if you have it. Sock poi will be available on a first come basis. **(4-5:30, Acoustic Stage)**

SausageFest 09 v.2

Join us for our yearly tribute feast to the gods of tightly packed meat. 15 varieties of sausage (at least) and 13 kinds of mustard, to better enjoy these cylindrical gustatory hotties. Contributions are welcome. Our event culminates with a group picture of the Decom hotties each holding the tubular mouth filler of their preference while shouting "Wheeeee!" **(just before sunset at Ranger camp)**

Cheesy Porn Camp

Showing cheesy porn and serving cheesy snacks! **(Dark thirty, Cheesy Porn Camp)**

Ridge and Jamie Snow's Magic Show

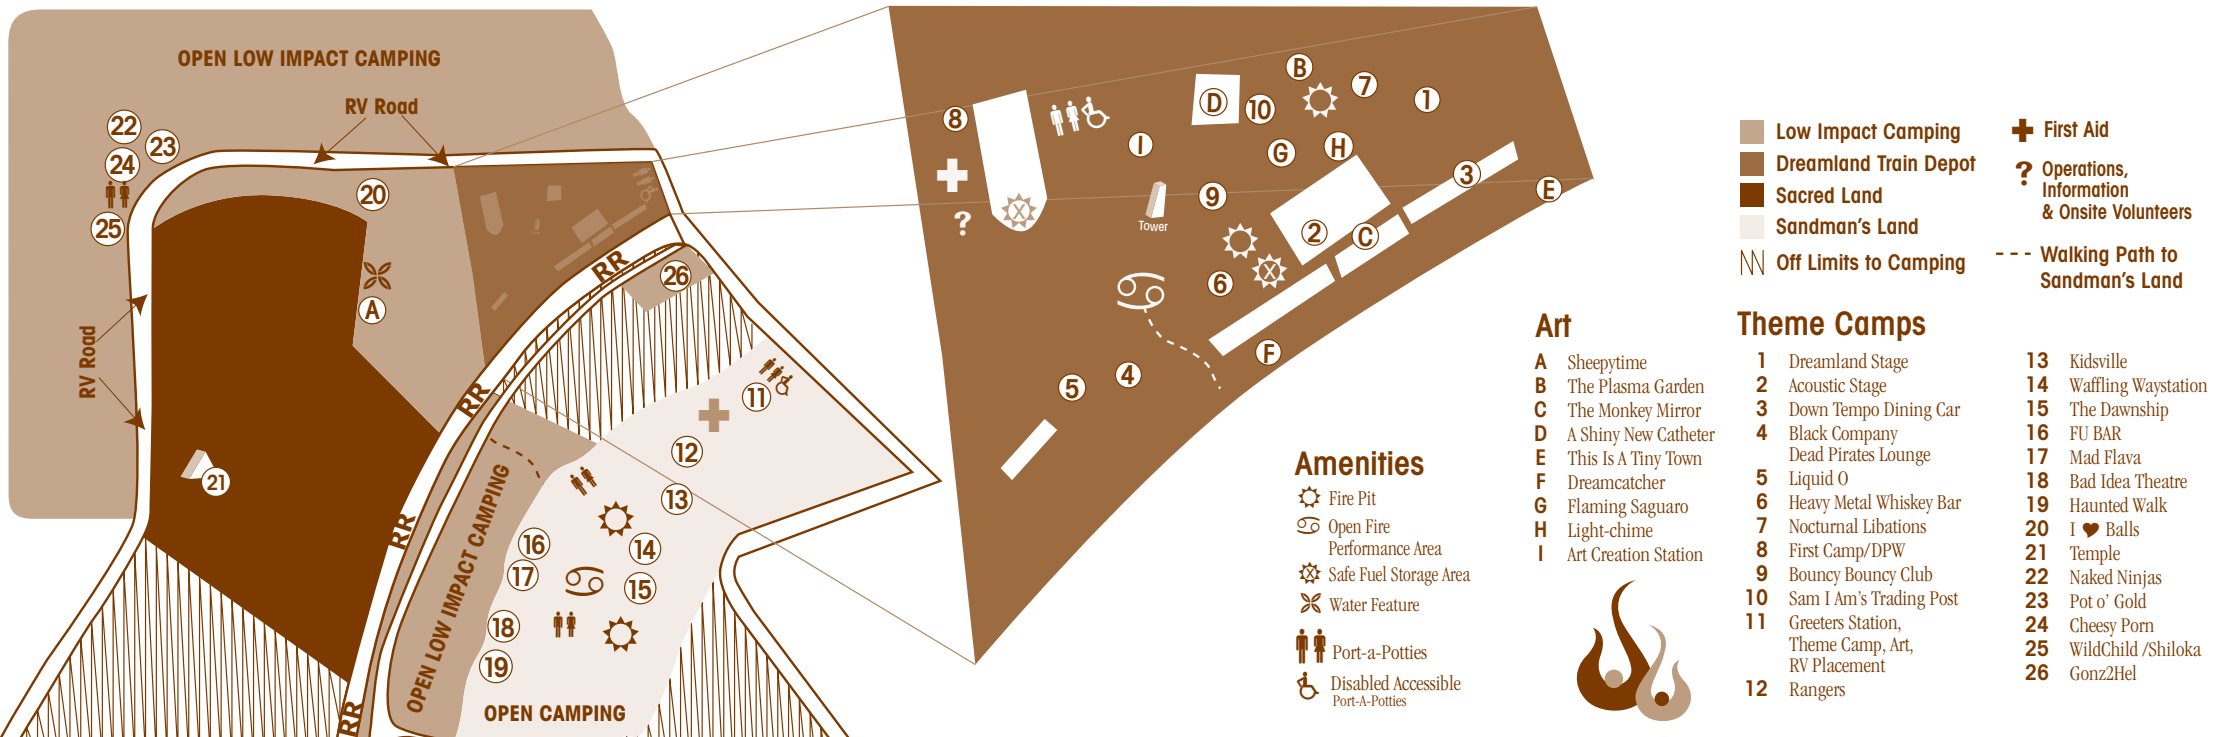

The Jason Chase Trio 20 Instrument Dance Jam Over 20 instruments from around the world, Mics, mixer, speakers, loop pedal, phrase sampler, laptop etc. I use this stuff to play, sample, loop and dub live dance music. **(7-8pm, Acoustic Stage)**

This is a Tiny Town... and we will be proving it to you when you come around. **(8-10pm, Acoustic Stage)**

SUNDAY:

Temple Ceremony

All weekend people will write down things they want to let go of and things they want to welcome into their life as well as honor those who have gone and request the best outcome for those who are ill or suffering. We will burn these requests with a brief ceremony. **(9am, the Temple)**
